Agenda...

1. Create a folder in the Pictures folder
2. Name the folder - Holiday
3. Open the Edge browser and get free clipart for the card
4. Do a Google search for "free Easter/Passover clip art"
5. Copy or Save FREE web clipart to the Holiday folder
6. Open WordPad to create the card
7. Insert the clipart picture in WordPad
8. Save the named file to the Holiday folder – Example name = MyCard
9. Now Google search "Free Easter ecards" to get a link to Easter ecards (123greetings.com)
http://www.123greetings.com/events/easter/happy_easter/easter_basket_full_of_wishes_for_you.html
10. Copy the link with the shortcut keys ---- Highlight the URL and press CTRL + C
11. Now copy [CTRL V] the link into your email to friends and family (Copy into card)
12. Use the print option to print the card as a PDF file to email to friends.
